To allow families to still spend time together, there is no Community Meal today. The meal service will start again next Sunday.

Next Sunday is the first Sunday of Advent and the beginning of Liturgical Calendar Cycle B. The Advent candle will be lit at the beginning of mass on all 4 Sundays of Advent so we ask you to arrive a little early each Sunday.

This year the 4<sup>th</sup> Sunday of Advent falls on Christmas Eve – the earliest we can put up full decorations. So we ask that you please mark your calendar that we will be doing “mini” Christmas decorating after the 11:30 Mass on Sunday, December 17, 2017. This means that we will put up the tree and the manger, prepare the other decorations such as, tree decorations, lights, window candles, bows, wreaths, etc. on that day. This will make the decorating tasks on Christmas Eve so much easier.
