Announcements
June 18, 2017

- Happy Father's Day to all Fathers, Grand Fathers, Uncles, and all who fill in for Fathers. In honor of this special day, there is no community meal today. Steve, we thank you for sharing such a beautiful story with us today!

- Our annual CSA campaign continues today. The campaign ends next Sunday so we are asking that everyone stop by the table in the back to make your pledge and/or to sign your card. Donations of any amount are welcome, but even if you can't make a pledge, we still need you to sign your card for the Archdiocese. Thank you.

- The St. Charles Summer Festival will be Sunday July 16, 2017 from 1pm-6pm. The Hospitality Committee is asking for some help with the festival. Please commit to help this year and add your name to the sign-up sheets that are on the table in back. See Mary Ann Andrecovich or Suzan Anderson if you have any questions.

- Liturgical Ministers are needed at both Masses. This includes Lectors, Table Ministers, and Eucharistic Ministers. There are volunteer applications at the back of church. If you are interested, please fill one out, and leave it on the table. More information can be found in today's bulletin. Once we know who is interested, we will schedule a training for new volunteers.

- The company that is preparing our photo directory suggested that we include addresses along with the names of our membership – even if you did not take a photo. If you do not want your address included, please see Linda Simpkins today or contact her at 313-530-6966 to let her know. You can send Linda a text asking to let her know that you do not want your address published. If you send a text, be sure to include your name. Again, Linda's cell number is 313-530-6966.

- June 23rd and 24rd, 2017 we are starting tear-out of the rectory kitchen. We need strong bodies to help with the tear-out. If you are available to help with this project, plan to be at the rectory at 10am please. See Greg Szczesny or Jackie Parisi if you have questions. Please sign up on the sheets on the back table.
