Please pick up a “My Spiritual Journey” form from the table by the door today. We ask that you return your completed form no later than next Sunday, January 16, 2022. They can be brought to church and be put in the folder on the back table, emailed, or mailed. We want to get to know our family on a deeper level.

As beautiful as the church looks dressed for Christmas, we must take down the decorations today. Please plan to stay today to take everything down and pack them away until next Christmas.

2022 envelopes continue to sit on the back pew because they are not being picked up. If you don't wish to have envelopes, please send an email, or call the rectory to let us know. If you asked for envelopes, we ask that you pick them up within two weeks.
