

## General Announcements 02-06-2022

At 11am every Friday, we celebrate mass in the church. The first two Friday masses have been uplifting, touching, and fulfilling. If you are available at 11am on Fridays, why not join the mass? Masks are required and we will practice social distancing.

Looking for covid testing, covid vaccines, or other health services? Please see today's Vigil (on our Facebook page or our website) for information on where and when St. Augustine/St. Monica and the Detroit Public Library system are offering many medical services free of charge.

Next Sunday, February 13, 2022, everyone is invited to stay after mass for our first and hopefully annual "Hot Chocolate and Coffee" gathering on the front steps of the church. Fr. Dan will light a fire pit in front of church on at the end of Mass. You are invited to bring thermoses of coffee, hot chocolate, or maybe hot cider to Mass, along with a few extra mugs or cups. We will set up a few tables so people can put their drink and cups on them after Mass. You are also invited to bring marshmallows and marshmallow skewers for the kids (of any age) to share. Yes, it is cold out, but our love will keep everyone warm!
