

**General Intentions
February 10, 2019**

For the Church: that we may be attentive to God's invitations and rely upon God's grace to respond unselfishly and wholeheartedly.... **Let us pray to the Lord.**

For a greater recognition of our poverty: that the Spirit of God will help us acknowledge how much we need God and help us to confidently pray each day for strength and understanding **Let us pray to the Lord.**

For the grace to listen: that we may follow Christ away from the noise and demands of daily life and enter into the silent depths of our hearts where God can speak to us **Let us pray to the Lord.**

For a deepening conversion of heart: that through prayer and reflection we may recognize how we need to change and accept the challenges of living the Gospel each day **Let us pray to the Lord.**

For our earth: that the glory of God may be revealed to all through creation and that we may be good stewards of all its resources **Let us pray to the Lord.**

For all who are ill, particularly those suffering mentally or emotionally: that God will lift their burden, help them find the right resources to assist them and fill their hearts with peace **Let us pray to the Lord.**

For all who have died, especially William Allen Hintz: that they may share fully in the new life of Christ and live with God forever **Let us pray to the Lord.**
