
St. Charles Borromeo Catholic Church

THE VIGIL

Sunday, February 22, 2026 (Year A)

1st Sunday of Lent

Thoughts for Today's Readings "With a Prayer..."

Sunday Food for Your Soul

The 1st Sunday of Lent Year A invites us to reflect on temptation, obedience, and God's mercy. The readings remind us of the struggles we face and the hope we find in Jesus. By looking at Jesus' example in the desert, we learn how to trust in God and resist temptation. This is a time to grow in faith through prayer, fasting, and almsgiving.

Tempted

The 1st Sunday of Lent Year A tells the story of Jesus being tempted in the desert. After fasting for forty days, he is hungry and weak, making him vulnerable to the devil's tricks. The devil tempts him three times, trying to get him to use his power for himself, to test God's protection, and to worship him for worldly gain. But each time, Jesus responds with words from Scripture, staying true to his mission and trust in God.

This shows us that temptation is part of human life. Even Jesus faced it. But his example teaches us that we can resist temptation by staying close to God and knowing his Word. Jesus did not argue or debate with the devil. He simply relied on his faith and Scripture to stand firm.

We, too, face temptations in our daily lives. We might be tempted to seek comfort, power, or approval in ways that pull us away from God. But the 1st Sunday of Lent Year A reminds us to follow Jesus' example. We can lean on prayer, Scripture, and faith to stay strong.

This passage also shows that temptation itself is not a sin. It is how we respond that matters. Jesus shows us the way to overcome it. By trusting in God and his promises, we can resist and grow stronger in our faith.

A Denial of Reality

The temptations in the desert challenge us to look at the false promises of the world. The devil tempted Jesus to never be hungry, never be harmed, and to control all earthly power. These temptations offer a life without suffering or dependence on God. But Jesus rejected these lies and chose trust and obedience to God.

The 1st Sunday of Lent Year A reminds us that we are not meant to control everything. We will face challenges, needs, and suffering. But we are called to trust God's plan for us. Jesus' refusal to turn stones into bread shows us that we do not live on material things alone. His rejection of testing God's protection shows us to trust God without demanding proof. And his refusal to worship the devil for power teaches us to serve God alone.

Lent invites us to confront our own desires for comfort, security, and control. The practices of prayer, fasting, and almsgiving help us do this. Prayer keeps us close to God and reminds us of his presence. Fasting teaches us to rely on God when we face needs and wants. Almsgiving helps us let go of material things and trust in God's care.

The 1st Sunday of Lent Year A challenges us to trust God even when life is hard. It invites us to give up the false promises of the world and follow Jesus' example of faith and obedience. Through prayer, fasting, and almsgiving, we grow closer to God and learn to depend on him.

We Are Not Alone

The story of Jesus' temptation shows that even he faced struggles. But he was not alone—he trusted in God and was strengthened by his faith. The 1st Sunday of Lent Year A reminds us that we, too, are never alone in our trials and temptations. God is always with us, offering his love and mercy.

We all face moments of weakness and times when we fall into temptation. But this Sunday shows us that no matter how far we stray, we can always return to God. Jesus' victory over temptation gives us hope that we can overcome our own struggles. It also reminds us of God's endless mercy.

Lent is a time to turn back to God with trust and humility. It is a time to seek forgiveness and strength. Like Jesus, we can lean on prayer and Scripture to guide us. When we feel alone in our struggles, we can remember that Jesus understands our challenges because he faced them, too.

The 1st Sunday of Lent Year A gives us hope that God's mercy is greater than our failures. It invites us to keep trying, to keep praying, and to keep trusting in God's love. We are never alone, no matter how difficult the journey may be.

Fr. John Burns

Sunday Community Dinners... As one of our most important ministries to our members and neighbors, we have been blessed, but are in need of more. If you and your group would like to sponsor a meal, please contact Georgia Kingsley via the rectory. **February 22, 2025: Freddie Henry & Family; March 1, 2026: Kim and Steve Llorens; March 8, 2026: Souper Sunday Soup Potluck; March 15, 2026: Detroit Black Catholic Ministries**

Nativity Pantry News: We are so grateful for your continued support of the pantry. **This week we need soup, soup,(yes, twice. Food Bank has been out) and individual snacks (crackers with peanut butter, cookies, bars (cereal, granola, etc.).** Did you know, we could need 140 cans per week just to prepack?

“Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father.” - Matthew 5:16

*God of holiness and truth,
many voices claim to know what is right and good
and clamor for our attention.
We pray that you will silence in us
any voice but yours
until we are compelled to act with justice,
to speak with clarity, kindness, and honesty,
and to walk humbly in the way of Jesus Christ.
Keep his example always before us
and stir us out of complacency,
making us like children again
as we worship with astonished joy. Amen.*

(Repentance)

Romans 5: 12-19
(Saved Through Christ)

Matthew 4: 4b
(Source of Life)

Matthew 4:1-11
(Temptation)

**The Holy Father's Intentions
 for the Month of
 February 2026**

**For children with incurable
 diseases**

Let us pray that children suffering from incurable diseases and their families receive the necessary medical care and support, never losing strength and hope.

READINGS FOR THE WEEK

Mon., Feb. 16: James 1: 1-11; Psalm 119: 67, 68, 71, 72, 75, 76; John 14: 6; Mark 8: 11-13

Tues., Feb. 17: James 1: 12-18; Psalm 94: 12-13a, 14-15, 18-19; John 14: 23; Mark 8: 14-21

Wed., Feb. 18: Joel 2: 12-18; Psalm 51: 3-4, 5-6ab, 12-13, 14 and 17; Second Corinthians 5: 20 – 6:2; Psalms 95: 8; Matthew 6: 1-6, 16-18

Thurs., Feb. 19: Deuteronomy 30: 15-20; Psalm 1: 1-2, 3, 4 and 6; Matthew 4: 17; Luke 9: 22-25

Fri., Feb. 20: Isaiah 58: 1-9a; Psalm 51: 3-4, 5-6ab, 18-19; Amos 5: 14; Matthew 9: 14-15

Sat., Feb. 21: Isaiah 58: 9b-14; Psalm 86: 1-2, 3-4, 5-6; Ezekiel 33: 11; Luke 5: 27-32

Sun., Feb. 22: Genesis 2: 7-9; 3: 1-7; Psalm 51: 3-4, 5-6, 12-13, 14 and 17; Romans 5: 12-19 or 5: 12, 17-19; Matthew 4: 4b; Matthew 4:1-11

STEWARDSHIP MINUTE

Stewardship Service

"It is written: 'The Lord, your God, shall you worship and him alone shall you serve.'"
 MATTHEW 4:10

Tempted between the riches and power of this world and service to God, Jesus chose service to His Father. If we wish to truly follow Jesus, we, too, must decide to turn away from worldly power and riches and put God at the center of our lives. Lent is our time to prune ourselves of earthly things and develop and nurture heavenly things. Lent is time to repent living Stewardship and letting go of the other "gods" we have put before God.

2026 Lenten Laudato Si' Calendar, P1

Created by the Environment Ministry of the Church of St. Francis Xavier, NYC

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
<p>Feb.15 Lent in the year 2026 is Lent in difficult times. As we journey together through the weeks ahead, let us be hopeful and open to the light we find.</p>	<p>16 To guide us through our Lenten journey, we have Pope Leo XIV's observations on hope on Sundays, starting Sunday Feb. 22nd. Be present to hope. Hope leads to action, and our actions inspire others.</p>	<p>17 Dedicate these forty days to healing the earth. Each day, do something for Earth & the poor of the earth. Pray. Learn. Act. Hope.</p> 	<p>18 Ash Wednesday "We must shift from collecting data to caring, and from environmental discourse to an ecological conversion that transforms both personal and communal lifestyles." Pope Leo XIV</p>	<p>19 Integral ecology, a key concept in Laudato Si', means caring for the earth & caring for the poor. Right now, immigrants are suffering from unjust treatment. Let's pray for them, and raise our voices against their unjust treatment.</p>	<p>20 Friday Fasting can help us be more aware of God's gifts. As you fast, try loving acts of kindness for our environment and use the money saved for the poor and those who are food insecure.</p>	<p>21 Be a Catholic voice. The Minnesota Chapter of the Laudato Si' Movement asks our support by signing their statement on ICE actions in Minn.</p> 
<p>22 "Christian hope is not passive optimism, but a mandate to create new signs of hope through charity and justice." Pope Leo XIV</p>	<p>23 We can reduce our carbon footprint by eating more fish and plant-based meals. Raising livestock, especially beef, requires a lot of land and water & is a major cause of deforestation. Learn more at meatlessmondays.org</p>	<p>24 In the U.S., 30 - 40% of food is wasted, costing the average family \$1,500/yr. Save money and reduce waste in your daily life. Learn how to store fresh produce. Make SavetheFood.com your go-to guide.</p>	<p>25 Look ahead. Join us each Friday for the Stations of the Cross and a soup supper at one of our eastside parishes. Check the VIGIL for time and location.</p>	<p>26 Do you ever buy foods produced by regenerative agricultural processes? They are a big benefit for the planet & worth the extra cost. Look for the R & O label. Learn more at rodaleinstitute.org O is for organic.</p> 	<p>27 The text for the Stations of the Cross in the wake of the Climate Crisis are posted on the Catholic Climate Movement website in Flip Book & PDF format in Spanish and English. CatholicClimateMovement.org/resources/stations</p>	<p>28 Lent is a time of transition. Create practices that you can carry throughout the year. Use the Ignatian Eco Examen as a starting point to check how you are doing: ecologicalexamen.org</p>
<p>Mar 1 "Hope in God must lead to justice for the poor. We must never forget that we were saved in this hope, and need to remain firmly rooted therein."</p>	<p>2 2025, one of 3 hottest years on record. It's past time for us to reduce our carbon footprint. Good news: solar panels are cheaper than ever, state subsidies are still available, & we can SWITCH our provider to a renewable source.</p>	<p>3 The Administration again pulled us out of the Paris Accord & is stifling research on climate, but U.S. cities & states say: WE ARE STILL IN. Non-profits Earth Justice & NRDC are challenging rollbacks in court. Let's support them.</p>	<p>4 "The real hope is not in something we think we can do, but in God, who is making something good out of it in some way we cannot see." Thomas Merton</p>	<p>5 2026 is the year of the used electric vehicle. (InsideEVs + CarandDriver) Save thousands - many EV lease contracts are up and those EVs will be on the market. Grab one & save money & you won't pollute the air.</p>	<p>6 Banks are a climate problem when they fund climate-warming projects. Social pressure helped Bank of America agree to not fund deforestation-related projects. Social pressure works. Check your bank's policies.</p>	<p>7 Climate writer & activist Bill McKibbin gives us hope with his book "Here Comes the Sun" in which he charts the rapid expansion of renewable energy. A good read!</p> 
<p>8 "In Christ, we too are seeds, and indeed, seeds of peace and hope. With love and perseverance, we can sow many seeds of justice and thus contribute to the renewal of hope."</p>	<p>9 Plastic production poisons the air. See "Cancer Alley" in St. James, LA, where a Black faith group, Rise St. James, has fought against new factories, citing racism. In Feb., a court ruled the case has merits! Hope prevails!</p>	<p>10 Purge the plastic! Plastic kitchen utensils produce nano-particles which stay in the internal organs - including our brains - of humans and pets. Replace plastic cooking utensils with bamboo, wooden or metal utensils.</p>	<p>11 "Hope begins in the dark, the stubborn hope that if you just show up and try to do the right thing, the dawn will come. You wait and watch and work: you don't give up". Anne Lamott</p>	<p>12 Plastic is in us and everywhere in our environment. More purge items: plastic take-out containers (ask for a Chinese-style carton), laundry soap pods, coffee pods, plastic shopping bags (always carry a reusable bag).</p>	<p>13 Microwaving food in plastic is a health risk. The plastic releases toxic chemicals into the food. See BeyondPlastics.org for info. Opt for glass or microwavable dishware. Or skip the microwave and use the stove, with non-terflon cookware.</p>	<p>14 How can we recycle "soft plastic" e.g. plastic bags, plastic that doesn't hold a form, plastic that you can stretch. Collect them & find a store that has a deposit bin. More info at RecycleFind.com. Find a store near you at: plasticfilmrecycling.org</p>

2026 Lenten Laudato Si' Calendar, P2

Created by the Environment Ministry of the Church of St. Francis Xavier, NYC

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
<p>15 "We cannot call ourselves disciples of Jesus Christ without participating in his outlook on creation and his care for all that is fragile and wounded."</p> 	<p>16 Jane Goodall died last year, but she had found hope in the power of young people. She inspired thousands of "Roots and Shoots" clubs in 60+ countries where youth decide what good they can do for their environment and social fabric.</p>	<p>17 Ship collisions kill whales. Environmental organizations worked with the International Maritime Organization to have ships slow down or stop when whales are sighted. It has decreased whale deaths. Support nature organizations to protect biodiversity.</p>	<p>18 "When you do nothing you feel overwhelmed and powerless. But when you get involved, you feel the sense of hope and accomplishment that comes from knowing you are working to make things better." Maya Angelou</p>	<p>19 A SNAG is a dead tree that is still standing. Though dead, SNAGs continue to sequester carbon & provide habitat for wildlife. The federal "Fix Our Forests Act", has a snag: it promotes clearing SNAGs which opens up areas for total deforestation.</p>	<p>20 Tomorrow, the International Day of Forests 2026, celebrates the vital role of forests economically and as a habitat for many species of birds, animals and insects. Let us commit to protect this keystone natural resource.</p>	<p>21 Tomorrow, World Water Day 2026 focuses on safe & clean water as a human right. It supports women and girls having leadership & equal voice in water decisions. It's important where potable water is not the norm. "Where water flows, equality grows."</p>
<p>22 "Hope is a constant source of joy, whatever our age, and when that hope has been tempered by fire over the course of a long life, it proves a source of deep happiness."</p>	<p>23 Catholic Advocacy for Our Common Home, Catholics concerned about the environment are coming together to support care for our common home. Contact Catholic Climate Covenant, for info: www.catholicclimatecovenant.org</p>	<p>24 We can make an impact advocating for state bills on getting plastic & PFAS "forever" chemicals out of our waste stream & packaging. Contact the Great Lakes PFAS Action Network: www.glpn.org</p>	<p>25 "Individual actions don't replace systemic change; they prepare the ground for it. They help us practice the world we're trying to build." Sandra Goldman, dean, Columbia Climate School</p>	<p>26 SureWeCan.org is a grassroots organization of "canners" who collect bottles & cans for reimbursement. It helps their family income & keeps bottles off the streets. The Bigger, Better, Bottle Bill would help the environment & the canners. Help support it!</p>	<p>27 Visit the League of Conservation Voters website for our state for action alerts on legislation affecting our environment and profiles of climate-conscience candidates. For Michigan, contact michiganlcvo.org</p>	<p>28 Environmental Voter Project, a non-partisan non-profit that is data driven. It found that environmentalists are low propensity voters, and seeks to get them out to vote. Volunteer by writing postcards or making calls. environmentalvoter.org</p>
<p>29 Palm Sunday Let us pray, as Pope Leo asks, that "Almighty God will send us in abundance his "Spirit on high", so that these seeds and others like them, may bring forth an abundant harvest of peace and hope."</p>	<p>30 "All powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love that we may protect life and beauty...." (LS246)</p>	<p>31 "Oh God of the poor, help us to rescue the abandoned & forgotten of this earth, so precious in your eyes. Bring healing to our lives, that we may protect the world & not prey on it, that we may sow beauty, not pollution & destruction..." (LS246)</p>	<p>Apr 1 "Praise the Lord from the earth, you great sea creatures and all the depths; fire and hail, snow and clouds, stormy wind, fulfilling his word; mountains and all hills; fruitful trees and all cedars." Psalm 149</p>	<p>2 Holy Thursday Imagine yourself as a guest at the Last Supper. Step closer to the table & see who is seated there. Can you join as a disciple? Can you offer a commitment to care for God's creation?</p> 	<p>3 Good Friday Jesus dies on the wood of a tree...a tree of life for us. Let's renew our commitment to protect all life as God's creation & join our sacrifices with that of Jesus' to bring forth a New Creation ...on earth as it is in heaven.</p>	<p>4 Holy Saturday Let's continue our care for creation after Lent. Celebrate Earth Day 4/22 & consider taking the Laudato Si' Movement's Animator training. It starts April 15; register now. See laudatosimovement.org. Blessings to you.</p>

Glorious Easter

Christ is risen and all of creation with Him!

*Savor the life and light that is in you and around you! ...the flowers bursting forth; friends and family; clean water and air! Be grateful for God's gift of creation! **Rejoice and be glad!***

Senior Citizen Solid Waste (Garbage Fee) Discount

City of Detroit, Michigan sent this bulletin at 02/16/2026 10:19 AM EST

The City of Detroit is helping to ease the financial burden for senior citizen homeowners. The Sheffield administration has opened an early application period for the Senior Citizen Solid Waste Discount to allow seniors to apply early so the discount can be reflected on summer property tax bills.

Seniors can apply TODAY through April 15 to make sure the 50 percent off garbage fee is reflected on the summer property tax bill. Apply online at detroitmi.gov/dtsc. For more information, call (313) 224-3560. #RiseHigher

Senior Citizen Solid Waste (Garbage Fee) Discount

The City of Detroit may provide a discount to homeowners who are at least 65 years old and have a Principal Residence Exemption on file.

WHO'S ELIGIBLE? WHAT DO I NEED?

-  Residents must be at least 65-years of age
-  The home must be your primary residence on City of Detroit records
-  Applicants must be listed on tax roll with the City
-  Residents must provide a copy of their photo ID (front and back), i.e. Driver's License or State ID

SPECIAL NOTE:
If you were approved for the solid waste discount beginning in 2017 or later, you do not need to reapply if you still own and occupy your home. No income requirements

Applications are accepted at the Detroit Taxpayer Service Center
CAYMC, 2 Woodward Avenue, Ste 130, Detroit, MI 48226

EARLY APPLICATION PERIOD is February 1 thru April 15
Applications are also accepted July 1 thru September 15
If mailed, must be postmarked by September 15.
To get an application, go to: detroitmi.gov/SolidWasteDiscount
OR Call DTSC at (313) 224-3560.

Smiles That Shine: Caring for Our Children's Dental Health

As a church family, we care about the whole child—heart, mind, body, and spirit. One important (and sometimes overlooked) part of a child's health is their smile!

Good dental habits help children stay healthy, confident, and free from pain. Cavities can affect eating, speaking, sleeping, and even learning. The good news is that most dental problems are preventable with simple daily care.

Healthy Habits for Bright Smiles

1. Brush Twice a Day

Children should brush their teeth every morning and before bed using fluoride toothpaste. Parents should help or supervise brushing until about age 7–8 to make sure it's done well.

2. Floss Daily

Once teeth touch each other, flossing helps remove food and plaque from places a toothbrush can't reach.

3. Choose Tooth-Friendly Snacks

Limit sugary drinks and sticky sweets. Encourage water, fruits, vegetables, cheese, and other healthy snacks.

4. Visit the Dentist Regularly

Regular checkups—such as those recommended by the American Dental Association—help prevent problems before they become serious. Most children should see a dentist every six months.

A Faith Perspective

The Bible reminds us in 1 Corinthians 6:19–20 that our bodies are temples of the Holy Spirit. Teaching children to care for their bodies—including their teeth—is one way we help them honor God with their health.

Let's work together as families and a church community to encourage healthy habits that will keep our children smiling brightly for years to come!

We are having BP screening today after mass in the church hall. See you there.

Need more fruits and veggies in your home?

Check out our FREE program Prescribe Life!

Healthy Food. Healthy Outlook.

Increasing fruit and vegetable intake positively impacts every part of your health but we understand that it can be easier said than done.

What is Prescribe Life?

Prescribe Life is a produce prescription program. I know you are thinking, "My doctor can give me a prescription to eat better?" and the answer is YES! Produce prescription programs are one way where healthcare providers can help address the social needs of their patients that impact their ability to maintain their health. It's easy for a doctor to say eat healthy! But patients also need the resources to do so and that's where our program comes in.

How does the program work?

In our program, you will participate in a program for nine months that consists of web-based nutrition education, one on one goal coaching and a funds to purchase fruits and vegetables from a participating store.

For more information or to register, visit our website:

<https://www.beaumont.org/prescribelife> --Classes and Events --> Health & Wellness

Or call: 313.738.1678 for help with registration

ST. CHARLES BORROMEIO CHURCH
1491 Baldwin Avenue
Detroit, MI 48214

January 14, 2026

Regarding: Updated Protecting God's Children Information from the Archdiocese of Detroit
ARCHDIOCESE OF DETROIT RE-CERTIFICATION POLICY
(Revised January 2026)

To work or volunteer in the Archdiocese of Detroit, all clergy, staff, and volunteers:

- Must attend original 3 hr. VIRTUS® "Protecting God's Children" Adult Awareness Session,
- **Must re-certify every three years on/or before the expiration date on the face of their current certificate. See the sample dateline below. The participant has 30 days after their expiration date to complete the recertification; if not, they must be inactivated in VIRTUS and will not be able to work or volunteer until completion of training.**

<u>"Protecting God's Children" Training</u>	<u>1st Recertification Year</u>	<u>2nd Recertification Year</u>
2023	2026	2029
2024	2027	2030
2025	2028	2031
2026	2029	2032

Option #1 Retake VIRTUS® 3 hr. "Protecting God's Children."

Option #2: VIRTUS® 30 minute "Teaching Boundaries and Safety Online Module 2.0 " Recertification

Participants whose current certificate has not yet expired may attend 30 minute. "Teaching Boundaries and Safety Online Module 2.0" recertification. This module is an online training that provides best practices for employees, volunteers, caring adults and parents, equipping them on how to be better protectors of children, and on how to teach children to better protect themselves. This online module builds from the foundation of the Teaching Boundaries and Safety Guide™, and provides easy conversation starters, bulleted tips and quick summaries of pertinent information.

Important Notice

Participants must keep their original VIRTUS® Protecting All God's Children and any additional recertification certificates as proof of compliance, which can be located when logging into the VIRTUS platform. Only a "copy" of the certificate should be given to the parish/school where you work or volunteer.

*The Office of Safe Environments will be performing a **mass deactivation on January 30th at 11am (EST)**. Anyone who has not logged into their VIRTUS account in the last four years will be inactivated. We are conducting this mass deactivation because the recertification requirement is every three years, and anyone who hasn't logged into their VIRTUS account in four+ years is out of compliance.*

Anyone who is in a volunteer role needs to have in their roles and location box indicate whether or not they volunteer 3 or more times a year OR if they volunteer three or less times a year as it is required that we track this information per the USCCB.

If you have any questions please contact me at the parish office.

St. Charles Mission Statement

St. Charles Borromeo, a diverse urban parish of Detroit, is rooted in Christ's Gospel and Catholic tradition. We strive to build a community of faith through education, worship, and evangelization. We are called to carry on Christ's ministry to our brothers and sisters, especially the sick and their families, the elderly, youth, and the disabled. With Mary as our example of unconditional love, we strive to welcome everyone to share joyfully in the peace, love and salvation of Jesus Christ. We acknowledge that it is the Holy Spirit who calls and empowers us, who strengthens and renews us, and who gives us the will to continue our mission, until Jesus comes.
