THE VIGIL

Sunday, March 08, 2026 (Year A)

3rd Sunday of Lent

Thoughts for Today's Readings "With a Prayer..."

Sunday Food for Your Soul

Dear Parishioners and Friends of Our Eastside Family,

The *Spiritual Exercises* of St. Ignatius of Loyola is a book of prayer "exercises" meant to lead one in graces—shaping one's life, one's relationship with Our Lord, and to claim in freedom a life choice (or a way of renewal) fitting for God's path of holiness in each person. The common beginning exercise is called the "**First Principle and Foundation.**" It offers a vision of our creation, our purpose in life, our gift of freedom, and the key holy desire before us each day. Below are two versions: the **first**, a traditional translation and, the **second**, a more free translation. God bless.

Fr. Richard

FIRST PRINCIPLE AND FOUNDATION

Man is created to praise, reverence, and serve God our Lord, and by this means to save his soul.

The other things on the face of the earth are created for man to help him in attaining the end for which he is created. Hence, man is to make use of them in as far as they help him in the attainment of his end, and he must rid himself of them in as far as they prove a hindrance to him.

Therefore, we must make ourselves indifferent to all created things, as far as we are allowed free choice and are not under any prohibition. Consequently, as far as we are concerned, we should not prefer health to sickness, riches to poverty, honor to dishonor, a long life to a short life. The same holds from all other things.

Our one desire and choice should be what is more conducive to the end for which we are created.

FIRST PRINCIPLE AND FOUNDATION

God loves and creates us and wants to share life with us forever. Our love response takes shape in our praise and honor and service of the God of our life.

All the things in this world are also created because of God's love, and they become a context of gifts, presented to us so that we can know God more easily and make a return of love more readily.

As a result, we show reverence for all the gifts of creation and collaborate with God in using them so that by being good stewards we develop as loving persons in our care for God's world and its development. But if we abuse any of these gifts of creation or, on the contrary, take them as the center of our lives, we break our relationship with God and hinder our growth as loving persons.

In everyday life, then, we must hold ourselves in balance before all created gifts insofar as we have a choice and are not bound by some responsibility. We should not fix our desires on health or sickness, wealth or poverty, success or failure, a long life or a short one. For everything has the potential of calling forth in us a more loving response to our life forever with God.

Our only desire and our one choice should be this: I want and I choose what better leads to God's deepening life in me.

Fr. Richard Baumann, S.J.

Subject: Meeting for St. Charles Members – March 28, 2026

Dear Beloved members of St. Charles Borromeo,

Grace and peace of our Lord Jesus Christ be with each of you.

In a spirit of unity, gratitude, and shared service to God's people, we warmly invite **all parish members** to a **meeting with Fr. Francis** on:

 **Saturday, March 28, 2026**

 **10:00 a.m.**

 **St. Charles Social Hall**

This gathering will provide an important opportunity for us to come together in fellowship, receive pastoral guidance, and renew our commitment to serving the Church with reverence, compassion, and joy. There will be opportunities to learn about some new parish ministries and refresh current ministry participation. Ministry participation is a true blessing to our parish family, and your presence is essential to the continued success of our parish.

We are asking that you confirm your intent to attend the meeting either via email or phone to the rectory no later than Wednesday, March 18, 2026, by 3:00 p.m.

Thank you for the love and dedication you pour into your ministry. May the Holy Spirit continue to strengthen and inspire you as you serve Christ through His people. If you notice that a member of the invited groups above is not listed, please share this with them.

With gratitude in Christ,

*Your Sister in Christ,
Rhonda Gilbert for Fr. Francis
Pastoral Associate*

STEWARDSHIP MINUTE

God-Centered Stewards

*"Everyone who drinks this water will be
 thirsty again." JOHN 4:13*

Jesus reminds us that material things, even something as basic as water, can never satisfy us over the long run. When we build our lives around material possessions we will always want more, and no amount will ever satisfy our desire. True joy and peace only come when we follow Jesus - when we as **His Stewards** become more "God-centered" and less "self-centered."

National Colorectal Cancer Awareness Month – A Call to Care for Our Bodies and One Another

March is National Colorectal Cancer Awareness Month—a time to raise awareness, encourage prevention, and support those affected by colorectal cancer. As a church family, we are reminded that our health matters to God. Scripture teaches us in 1 Corinthians 6:19–20 that our bodies are temples of the Holy Spirit. Caring for our bodies is one way we honor Him.

Colorectal cancer is one of the most common cancers in the United States, yet it is also one of the most preventable through regular screening. Organizations like the American Cancer Society recommend that adults at average risk begin regular screenings at age 45. Screening tests can often find precancerous polyps before they turn into cancer—and when detected early, colorectal cancer is highly treatable.

This month, let us encourage one another to:

- Schedule recommended screenings.
- Talk openly with family members about health history.
- Adopt healthy habits such as balanced nutrition, regular physical activity, and routine medical checkups.
- Pray for those currently battling cancer and for their caregivers.

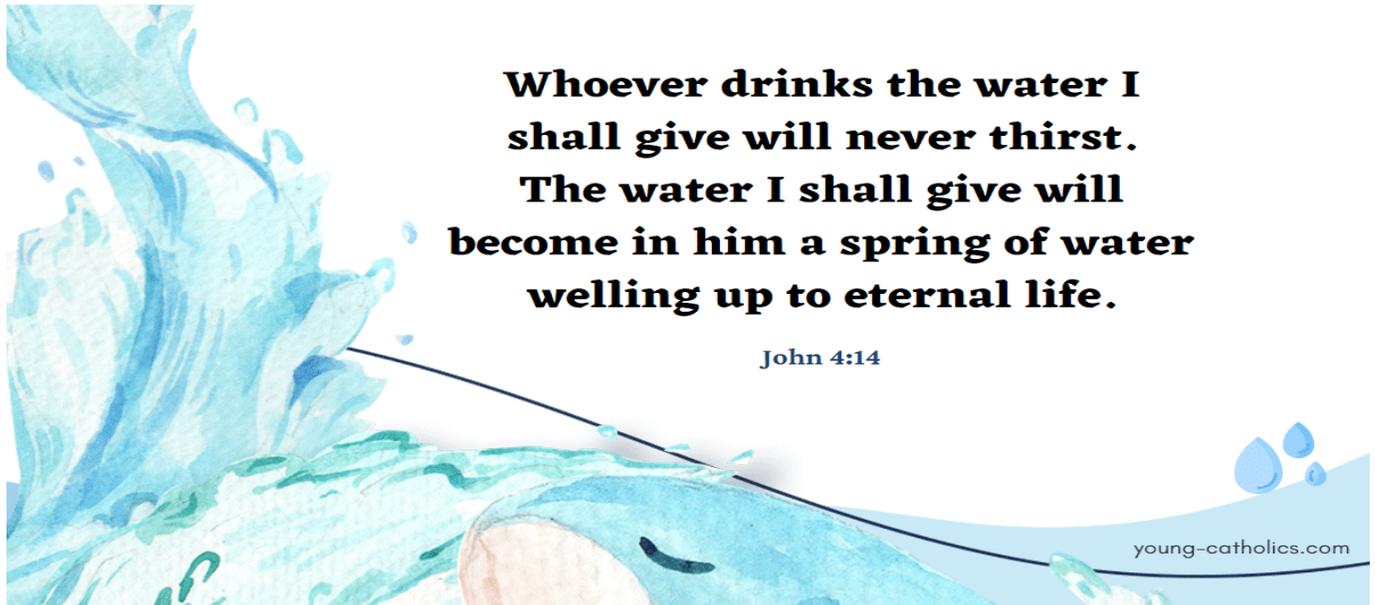

If you or a loved one needs support, please know that our church community is here to pray, provide encouragement, and offer practical help when possible. We also recognize the valuable research and education efforts led by organizations such as the Colorectal Cancer Alliance, which work to bring hope and resources to families across the nation.

Let us use this month as an opportunity to promote awareness, early detection, and compassionate care—honoring God by caring for the gift of health and standing together in love and support.

God bless Mary Catherine Wright RN, Parish Nurse

Sunday Community Dinners... As one of our most important ministries to our members and neighbors, we have been blessed, but are in need of more. If you and your group would like to sponsor a meal, please contact Georgia Kingsley via the rectory. **March 8, 2026: Souper Sunday Soup Potluck; March 15, 2026: Detroit Black Catholic Ministries; March 29, 2026: Knights on Bikes; April 5, 2026: No Meal - Easter Sunday; April 12, 2026: Grosse Pointe Sunrise Rotary**

Nativity Pantry News: We are so grateful for your continued support of the pantry. **This week we need Tuna, Fruit, and Easter Candy.** Did you know, we need 125 cans of tuna per week just to prepack if everything was used the week before.

*Lord, help us to seek You with open hearts and to welcome Your love
that brings true life. Teach us to break down*

2026 Lenten Laudato Si' Calendar, Pt 1

Created by the Environment Ministry of the Church of St. Francis Xavier, NYC

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
Feb.15 Lent in the year 2026 is Lent in difficult times. As we journey together through the weeks ahead, let us be hopeful and open to the light we find.	16 To guide us through our Lenten journey, we have Pope Leo XIV's observations on hope on Sundays, starting Sunday Feb. 22nd. Be present to hope. Hope leads to action, and our actions inspire others.	17 Dedicate these forty days to healing the earth. Each day, do something for Earth & the poor of the earth. Pray. Learn. Act. Hope. 	18 Ash Wednesday <i>"We must shift from collecting data to caring, and from environmental discourse to an ecological conversion that transforms both personal and communal lifestyles."</i> Pope Leo XIV	19 Integral ecology, a key concept in Laudato Si', means caring for the earth & caring for the poor. Right now, immigrants are suffering from unjust treatment. Let's pray for them, and raise our voices against their unjust treatment.	20 Friday Fasting can help us be more aware of God's gifts. As you fast, try loving acts of kindness for our environment and use the money saved for the poor and those who are food insecure.	21 Be a Catholic voice. The Minnesota Chapter of the Laudato Si' Movement asks our support by signing their statement on ICE actions in Minn. 
22 <i>"Christian hope is not passive optimism, but a mandate to create new signs of hope through charity and justice."</i> Pope Leo XIV	23 We can reduce our carbon footprint by eating more fish and plant-based meals. Raising livestock, especially beef, requires a lot of land and water & is a major cause of deforestation. Learn more at meatlessmondays.org	24 In the U.S., 30 - 40% of food is wasted, costing the average family \$1,500/yr. Save money and reduce waste in your daily life. Learn how to store fresh produce. Make SavetheFood.com your go-to guide.	25 Look ahead. Join us each Friday for the Stations of the Cross and a soup supper at one of our eastside parishes. Check the VIGIL for time and location.	26 Do you ever buy foods produced by regenerative agricultural processes? They are a big benefit for the planet & worth the extra cost. Look for the R & O label. Learn more at rodaleinstitute.org O is for organic. 	27 The text for the Stations of the Cross in the wake of the Climate Crisis are posted on the Catholic Climate Movement website in Flip Book & PDF format in Spanish and English. CatholicClimateMovement.org/resources/stations	28 Lent is a time of transition. Create practices that you can carry throughout the year. Use the Ignatian Eco Examen as a starting point to check how you are doing: ecologicalexamen.org
Mar 1 <i>"Hope in God must lead to justice for the poor. We must never forget that we were saved in this hope, and need to remain firmly rooted therein."</i>	2 2025, one of 3 hottest years on record. It's past time for us to reduce our carbon footprint. Good news: solar panels are cheaper than ever, state subsidies are still available, & we can SWITCH our provider to a renewable source.	3 The Administration again pulled us out of the Paris Accord & is stifling research on climate, but U.S. cities & states say: WE ARE STILL IN. Non-profits Earth Justice & NRDC are challenging rollbacks in court. Let's support them.	4 <i>"The real hope is not in something we think we can do, but in God, who is making something good out of it in some way we cannot see."</i> Thomas Merton	5 2026 is the year of the used electric vehicle. (InsideEVs + CarandDriver) Save thousands - many EV lease contracts are up and those EVs will be on the market. Grab one & save money & you won't pollute the air.	6 Banks are a climate problem when they fund climate-warming projects. Social pressure helped Bank of America agree to not fund deforestation-related projects. Social pressure works. Check your bank's policies.	7 Climate writer & activist Bill McKibbin gives us hope with his book "Here Comes the Sun" in which he charts the rapid expansion of renewable energy. A good read! 
8 <i>"In Christ, we too are seeds, and indeed, seeds of peace and hope. With love and perseverance, we can sow many seeds of justice and thus contribute to the renewal of hope."</i>	9 Plastic production poisons the air. See "Cancer Alley" in St. James, LA, where a Black faith group, Rise St. James, has fought against new factories, citing racism. In Feb., a court ruled the case has merits! Hope prevails!	10 Purge the plastic! Plastic kitchen utensils produce nano-particles which stay in the internal organs - including our brains - of humans and pets. Replace plastic cooking utensils with bamboo, wooden or metal utensils.	11 <i>"Hope begins in the dark, the stubborn hope that if you just show up and try to do the right thing, the dawn will come. You wait and watch and work: you don't give up"</i> . Anne Lamott	12 Plastic is in us and everywhere in our environment. More purge items: plastic take-out containers (ask for a Chinese-style carton), laundry soap pods, coffee pods, plastic shopping bags (always carry a reusable bag).	13 Microwaving food in plastic is a health risk. The plastic releases toxic chemicals into the food. See BeyondPlastics.org for info. Opt for glass or microwavable dishware. Or skip the microwave and use the stove, with non-TEFLON cookware.	14 How can we recycle "soft plastic" e.g. plastic bags, plastic that doesn't hold a form, plastic that you can stretch. Collect them & find a store that has a deposit bin. More info at RecycleFind.com . Find a store near you at: plasticfilmrecycling.org

St. Paul of the Cross
Passionist Retreat Center
The Passionists of Holy Cross Province

Dear Friends,

As part of our ongoing commitment to supporting our community beyond the retreat experience, we're pleased to share employment opportunities with you. It is our hope that these positions may serve as meaningful next steps for those seeking purposeful and fulfilling work. Please read the job descriptions below and reach out if you have any questions—we're happy to provide more information.

Registration Clerk

St. Paul of the Cross Passionist Retreat Center is seeking a cheerful, organized, and mission-driven Registration Clerk to serve as a welcoming first point of contact for our retreatants and Passionist event participants. This role manages phone and mail registrations, assists constituents in signing up for weekend retreats and day events, enters and maintains accurate records in our registration system, and helps check in guests on Friday evenings during the retreat season. The Registration Clerk also provides administrative support to our Passionist Coordinator and Hospitality Coordinator to ensure a smooth and welcoming retreat experience.

The ideal candidate is comfortable working in Microsoft 365—especially Excel and Word—and has experience using a Customer Relationship Management (CRM) system. Strong attention to detail, a pleasant phone presence, and the ability to work collaboratively in a faith-based environment are essential.

This is a 30–40 hour per week position offering an excellent benefits package, including health and dental coverage and a pension plan. If you enjoy serving others and supporting the Passionist ministry of hospitality and spiritual renewal, we encourage you to apply.

If you are called to this position, please submit a resume to Jbologna@stpaulretreat.org.

Housekeeping

The housekeeper will work effectively with the housekeeping team and volunteers to clean the 87 bedrooms/bathrooms, 3 conference rooms, and common areas at the Retreat Center.

We would prefer someone who has prior housekeeping experience and who can carefully collaborate with the other team members to prepare the retreat center for retreatants. 20-30 hours per week which can lead to a full-time position within a few months.

Once full-time, the position will include good health care, dental, eye and retirement benefits.

For consideration, contact Roz Salter at rsalter@stpaulretreat.org

- **Must re-certify every three years on/or before the expiration date on the face of their current certificate. See the sample dateline below. The participant has 30 days after their expiration date to complete the recertification; if not, they must be inactivated in VIRTUS and will not be able to work or volunteer until completion of training.**

Option #1 Retake VIRTUS® 3 hr. "Protecting God's Children."

Option #2: VIRTUS® 30 minute "Teaching Boundaries and Safety Online Module 2.0" Recertification

Participants whose current certificate has not yet expired may attend 30 minute. "Teaching Boundaries and Safety Online Module 2.0" recertification. This module is an online training that provides best practices for employees, volunteers, caring adults and parents, equipping them on how to be better protectors of children, and on how to teach children to better protect themselves. This online module builds from the foundation of the Teaching Boundaries and Safety Guide™, and provides easy conversation starters, bulleted tips and quick summaries of pertinent information.

Important Notice

Participants must keep their original VIRTUS® Protecting All God’s Children and any additional recertification certificates as proof of compliance, which can be located when logging into the VIRTUS platform. Only a “copy” of the certificate should be given to the parish/school where you work or volunteer.

*The Office of Safe Environments will be performing a **mass deactivation on January 30th at 11am (EST).** Anyone who has not logged into their VIRTUS account in the last four years will be inactivated. We are conducting this mass deactivation because the recertification requirement is every three years, and anyone who hasn’t logged into their VIRTUS account in four+ years is out of compliance.*

Anyone who is in a volunteer role needs to have in their roles and location box indicate whether or not they volunteer 3 or more times a year OR if they volunteer three or less times a year as it is required that we track this information per the USCCB.

If you have any questions please contact me at the parish office.

St. Charles Mission Statement

St. Charles Borromeo, a diverse urban parish of Detroit, is rooted in Christ's Gospel and Catholic tradition. We strive to build a community of faith through education, worship, and evangelization. We are called to carry on Christ's ministry to our brothers and sisters, especially the sick and their families, the elderly, youth, and the disabled. With Mary as our example of unconditional love, we strive to welcome everyone to share joyfully in the peace, love and salvation of Jesus Christ. We acknowledge that it is the Holy Spirit who calls and empowers us, who strengthens and renews us, and who gives us the will to continue our mission, until Jesus comes.
