This summer we are going to focus on evangelization in our neighborhood. We hope to form teams of two that will visit our neighbors and talk with them about our Catholic faith, inviting them to experience our faith at St. Charles. If you are interested in this ministry, please sign-up on the sheet on the back table by the door. Training will be provided in June. There are flyers on the back table with more information about the event. For those not attending mass in person, event information is on our Facebook page and in the vigil on our website.
