**The Mother Of All Mothers**

May is a special month for two main reasons; firstly, in the month of May every year we celebrate all Mothers and Mother figures in the Church and society, appreciating them for their unique role in the lives of their children and loved ones. Secondly, the month of May is dedicated to the Blessed Virgin Mary; the mother of our Lord Jesus Christ, the mother of all Christians, and indeed, the mother of all mothers.

The sin of disobedience committed by Adam and Eve fractured the original relationship between divinity and humanity. To restore this broken relationship, God the Father sent His only begotten son into our world as our saviour and redeemer. Jesus Christ became man through she who had no stain of original sin within her. The book of Genesis makes reference to this very fact when it says: "I will put enmity between you and the woman, and between your offspring and hers; They will strike at your head, while you strike at their heel" (Genesis 3:15). The Blessed Virgin Mary (The new Eve) was conceived without any stain of original sin, so that she who has no original sin in her can bring forth into our world the only begotten son of the Father. This is what we celebrate on the 8th of December every year, when the Church celebrates the Solemnity of the Immaculate Conception of the Blessed Virgin Mary. Mary's "Yes" to the will of God the Father for her propelled her to live and die immaculate. Therefore, Mary is not just the mother of God, but she is the mother of all Christians and the mother of all mothers.

Every good motherhood has she who nurtured, loved, guided, guarded, prayed, supported and cared for the only begotten Son of God as its ideal or mentor. Mary was a mother who knew and trusted her son, no wonder, it would be through her intercession that he would perform his first miracle on earth as recorded in the gospel according to St. John (John 2:1-12). Like she interceded for the couple at the wedding feast in Cana in Galilee before her son, Mary also intercedes on our behalf before her son whenever we invoke her maternal intercessions. At all times, but most especially, during this month dedicated to the Blessed Virgin Mary, the Church encourages us to seek the maternal intercession of the mother of God through the daily recitation of the rosary and other Marian prayers. We are blessed in our family of Parishes to have a group who gather virtually at 7pm every Wednesday to recite the rosary and present our petitions to God through the hands of His immaculate mother. I encourage everyone to sign-in and join us in praying the rosary weekly.

May the Blessed Virgin Mary; the mother of God, the Church, all Christians, and all mothers, intercede for us before her Son, our Lord Jesus Christ, amen.

Fr. Charles C. Nwamadi, SSJ.

### STEWARDSHIP MINUTE

#### Prayerful Stewardship

*"I am praying for them..." JOHN 17:9*

Prayer is the foundation of our Faith and the foundation of **stewardship**. Prayer is always the first best option in any situation - not just our last resort. Pray for friends and family, and especially for those that don't treat you very well. Pray to give praise, to thank, and to ask God for help. Pray to see what God wants you to do with the gifts He has given you. Teach others how to pray. It has been said that teaching someone how to pray is the best gift you can give someone.

## 2026 CSA Campaign

The 2026 Catholic Services Appeal (CSA) for the Archdiocese of Detroit began on May 1, 2026. We warmly invite you to prayerfully consider supporting the efforts of our parish, St. Charles Borromeo, in this important campaign, which is an essential commitment for our community.

As a small token of our gratitude, those who make a gift of \$75.00 or more to the CSA will receive a beautiful St. Charles tote bag.

To learn more about this year's campaign and its mission, we encourage you to read the Archbishop's letter provided below. May God bless you for your generosity and continued support.

ARCHBISHOP OF DETROIT

February 2026

Dear brothers and sisters in Christ,

Every year, the Church invites us to return to the heart of our mission as disciples—to reflect on the gifts God has entrusted to us and to consider how we are called to use those gifts for the good of His people. As I prayed about the message I wished to share with you for this year's Catholic Services Appeal, one verse continued to emerge: "For where your treasure is, there also will your heart be" (Matthew 6:21).

These words from our Lord are both tender and challenging. They remind us that our mission flows from the deepest place of our devotion. What we love, we serve. What we treasure, we offer. And when our hearts are rooted in Christ, His mission becomes our mission: to proclaim the Gospel, accompany the suffering, form disciples, and bring the light of His love to every corner of southeast Michigan.

Each of us has received the blessings of time to pray, talents to offer, and material resources to steward. These gifts are never meant to be stored away but should be shared generously, so that through them others may encounter the mercy, hope, and healing that Christ freely gives. Through faithful stewardship, we participate directly in the work of evangelization and build up the Church in ways that extend far beyond what any one of us could accomplish alone.

This year, as we continue to deepen our commitment to renewal in our parishes, schools, formation programs, and ministries of charity, the Catholic Services Appeal remains an essential expression of our shared mission. Your generosity sustains the services that form our future priests, strengthen families, engage youth and young adults, accompany the poor, and bring Christ's love to those most in need.

I ask you to prayerfully reflect on how God is calling you to participate in this mission today. Your support ensures that the Gospel continues to be preached with conviction, our communities remain places of encounter and renewal, and the love of Jesus Christ reaches every person who longs to know Him.

I am deeply grateful for your faith, generosity, and commitment to the mission the Lord has entrusted to us. May God bless you abundantly for sharing the gifts He has given you.

Sincerely yours in Christ Jesus,

# 52 Ways to Care for Creation

Week 19: May 3-9

## **Where Does Your Drinking Water Come From?**

Are you able to drink your tap water? Where does it come from? How is it processed? Does it rain where you live? Are there often droughts? Does everyone in your community have access to clean drinking water? Consider where your water comes from and what is being done to protect your local water source.

Week 20; May 10-16

## **Endangered Species Day**

Happy endangered species day! Attacks on the Endangered Species Act have placed precious plants and animals more at risk than ever before. Check out CJM's resource to learn about and celebrate endangered plants and animals. Visit [creationjustice.org/resourcehub](https://creationjustice.org/resourcehub) to access the information.

Week 21: May 17-23

## **Thrift Shop**

The clothing industry has a large carbon footprint. When looking for a new outfit, head to the thrift store instead of buying new. Thrift shopping keeps clothes out of the landfill, reduces water waste (a byproduct of clothing production), and reduces chemical pollutants. Check if your town has a local benefit shop/thrift shop where the proceeds support the community (some donate proceeds to the local food pantry or animal shelter)!

Week 22: May 24-30

## **Rest and Reflect**

There are no unsacred places. There are only sacred places and desecrated places." - Wendell Berry

Week 23: May 31- June 6

## **Learn About Your Local Food Systems**

Where does your food come from? How is your community affected by food insecurity? Does your town have a farmers market? Meet your farmers and support the local economy! If you have time, commit to growing/taking care of 1 plant?

### May is Asthma and Allergy Awareness Month

As spring flowers bloom and trees begin to bud, many people also experience seasonal allergies and asthma symptoms. May is recognized as Asthma and Allergy Awareness Month, a time to increase understanding about these common health conditions and encourage healthy habits that support breathing and overall wellness.

Asthma is a chronic condition that affects the airways in the lungs, making it difficult to breathe.

Allergies occur when the body reacts to substances such as pollen, dust, mold, or pet dander. For some individuals, allergies can also trigger asthma symptoms.

Common signs of allergies include sneezing, itchy eyes, congestion, and coughing. Asthma symptoms may include wheezing, chest tightness, shortness of breath, and persistent coughing. If symptoms become severe or interfere with daily life, it is important to seek medical care.

There are several simple ways to reduce symptoms during allergy season:

- Keep windows closed on high-pollen days
- Change air filters regularly
- Wash hands and clothing after spending time outdoors
- Take medications as prescribed by your healthcare provider
- Carry rescue inhalers if prescribed

As a church family, we can support one another by being mindful of strong fragrances and checking in on those who may struggle with breathing difficulties. Let us continue to pray for healing, comfort, and good health for all members of our community.

“Let everything that has breath praise the Lord.” — Psalm 150:6 God

Bless

**St. Charles Mission Statement**

St. Charles Borromeo, a diverse urban parish of Detroit, is rooted in Christ's Gospel and Catholic tradition. We strive to build a community of faith through education, worship, and evangelization. We are called to carry on Christ's ministry to our brothers and sisters, especially the sick and their families, the elderly, youth, and the disabled. With Mary as our example of unconditional love, we strive to welcome everyone to share joyfully in the peace, love and salvation of Jesus Christ. We acknowledge that it is the Holy Spirit who calls and empowers us, who strengthens and renews us, and who gives us the will to continue our mission, until Jesus comes.

### Caring for the Mind God Gave Us

#### ***May: Mental Health Awareness Month***

May is recognized as Mental Health Awareness Month—a time to reflect on the importance of caring not only for our physical health, but also for our emotional and spiritual well-being. Just as we tend to our bodies with rest, nourishment, and exercise, God calls us to care for our minds and hearts.

Scripture reminds us in Philippians 4:6–7 to bring our worries to God in prayer, trusting that His peace will guard our hearts and minds. Yet caring for our mental health is not only about prayer—it also includes seeking support, practicing rest, and extending grace to ourselves and others.

Many people quietly struggle with anxiety, depression, grief, or stress. As a church family, we are called to be a source of compassion and encouragement. A kind word, a listening ear, or simply showing up for someone can make a meaningful difference.

If you are struggling, know that you are not alone—and reaching out for help is a sign of strength, not weakness. God often works through community, counselors, and caregivers to bring healing and hope.

This month, let us commit to:

- Praying for those who are hurting
- Checking in on one another
- Taking time for rest and reflection
- Trusting in God's presence in every season

“Come to me, all who are weary and burdened, and I will give you rest.” — Matthew 11:28

May we be a church that nurtures both faith and well-being, reminding one another of God's love, peace, and restoration.

Reminder, our next BP screening is May 24th after Mass.

Mary Catherine Wright,  
Parish Nurse
