*Pentecost Sunday*

**Sunday Food for Your Soul**

**Pentecost**

The feast of Pentecost, as described in the 2<sup>nd</sup> chapter of Acts, can be understood in a simple way, as the Holy Spirit giving the apostles the gift of languages so that they could preach to the multi-national group of pilgrims that had gathered in Jerusalem. The direct gift was an ability to communicate with this multi-lingual group about the glorious things that God has done through Jesus Christ, our savior and teacher.

But as we reflect on what happened on Pentecost, the deeper teaching comes through recalling what was written in the 11<sup>th</sup> chapter of Genesis: God punishing humanity for its sin of pride. Only God is God, and we are not gods who have total control of our own lives and of our world. The confusion of the tower of Babel was created by believing that you and I are absolute rulers of the world. This traditional story is to remind us that we always need God.

We see in our own time what human pride can do; powerful leaders being enamored with the immense power of their military machines. They are convinced that they can be victorious by blowing up their enemies. The enemies in return vow that they can inflict terrible revenge on those who attacked them. Pride has led both sides to ignore international law and human decency. The wars going on in our world inflict terrible suffering far beyond the borders of their own countries. My Capuchin brother Ignace tells us of how the people of Tanzania cannot make a living because they no longer have electricity or transportation because there is no fuel to keep their economy going.

Christ Jesus came to bring us wisdom, unity, and holiness of life.  
Pentecost celebrates the divine grace of God working in us.

Fr. David Preuss, OFM, Cap.

### STEWARDSHIP MINUTE

#### Stewardship Spirit

*"To each is given the manifestation of the Spirit for the common good." 1 CORINTHIANS 12:7*

To receive the gifts of the Holy Spirit you must open your heart and invite Him in! Ask the Holy Spirit to guide your thoughts, words and actions every day! Be grateful for all the gifts God has given you! Regardless of our individual circumstances, God has given all of us many blessings. What we do with those gifts is our gift back to God! By generously sharing everything we have and everything we are, we become more

*"God-centered stewards" and less "self-centered" and our lives truly reflect God's light, love and mercy.*

## 2026 CSA Campaign

The 2026 Catholic Services Appeal (CSA) for the Archdiocese of Detroit began on May 1, 2026. We warmly invite you to prayerfully consider supporting the efforts of our parish, St. Charles Borromeo, in this important campaign, which is an essential commitment for our community.

As a small token of our gratitude, those who make a gift of \$75.00 or more to the CSA will receive a beautiful St. Charles tote bag.

To learn more about this year's campaign and its mission, we encourage you to read the Archbishop's letter provided below. May God bless you for your generosity and continued support.

ARCHBISHOP OF DETROIT

February 2026

Dear brothers and sisters in Christ,

Every year, the Church invites us to return to the heart of our mission as disciples—to reflect on the gifts God has entrusted to us and to consider how we are called to use those gifts for the good of His people. As I prayed about the message I wished to share with you for this year's Catholic Services Appeal, one verse continued to emerge: "For where your treasure is, there also will your heart be" (Matthew 6:21).

These words from our Lord are both tender and challenging. They remind us that our mission flows from the deepest place of our devotion. What we love, we serve. What we treasure, we offer. And when our hearts are rooted in Christ, His mission becomes our mission: to proclaim the Gospel, accompany the suffering, form disciples, and bring the light of His love to every corner of southeast Michigan.

Each of us has received the blessings of time to pray, talents to offer, and material resources to steward. These gifts are never meant to be stored away but should be shared generously, so that through them others may encounter the mercy, hope, and healing that Christ freely gives. Through faithful stewardship, we participate directly in the work of evangelization and build up the Church in ways that extend far beyond what any one of us could accomplish alone.

This year, as we continue to deepen our commitment to renewal in our parishes, schools, formation programs, and ministries of charity, the Catholic Services Appeal remains an essential expression of our shared mission. Your generosity sustains the services that form our future priests, strengthen families, engage youth and young adults, accompany the poor, and bring Christ's love to those most in need.

I ask you to prayerfully reflect on how God is calling you to participate in this mission today. Your support ensures that the Gospel continues to be preached with conviction, our communities remain places of encounter and renewal, and the love of Jesus Christ reaches every person who longs to know Him.

I am deeply grateful for your faith, generosity, and commitment to the mission the Lord has entrusted to us. May God bless you abundantly for sharing the gifts He has given you.

Sincerely yours in Christ, Jesus,

# 52 Ways to Care for Creation

Week 19: May 3-9

## **Where Does Your Drinking Water Come From?**

Are you able to drink your tap water? Where does it come from? How is it processed? Does it rain where you live? Are there often droughts? Does everyone in your community have access to clean drinking water? Consider where your water comes from and what is being done to protect your local water source.

Week 20; May 10-16

## **Endangered Species Day**

Happy endangered species day! Attacks on the Endangered Species Act have placed precious plants and animals more at risk than ever before. Check out CJM's resource to learn about and celebrate endangered plants and animals. Visit [creationjustice.org/resourcehub](https://creationjustice.org/resourcehub) to access the information.

Week 21: May 17-23

## **Thrift Shop**

The clothing industry has a large carbon footprint. When looking for a new outfit, head to the thrift store instead of buying new. Thrift shopping keeps clothes out of the landfill, reduces water waste (a byproduct of clothing production), and reduces chemical pollutants. Check if your town has a local benefit shop/thrift shop where the proceeds support the community (some donate proceeds to the local food pantry or animal shelter)!

Week 22: May 24-30

## **Rest and Reflect**

There are no unsacred places. There are only sacred places and desecrated places." - Wendell Berry

Week 23: May 31- June 6

## **Learn About Your Local Food Systems**

Where does your food come from? How is your community affected by food insecurity? Does your town have a farmers market? Meet your farmers and support the local economy! If you have time, commit to growing/taking care of 1 plant?

## Parish Nurse News and Notes

### May is Asthma and Allergy Awareness Month

As spring flowers bloom and trees begin to bud, many people also experience seasonal allergies and asthma symptoms. May is recognized as Asthma and Allergy Awareness Month, a time to increase understanding about these common health conditions and encourage healthy habits that support breathing and overall wellness.

Asthma is a chronic condition that affects the airways in the lungs, making it difficult to breathe. Allergies occur when the body reacts to substances such as pollen, dust, mold, or pet dander. For some individuals, allergies can also trigger asthma symptoms.

Common signs of allergies include sneezing, itchy eyes, congestion, and coughing. Asthma symptoms may include wheezing, chest tightness, shortness of breath, and persistent coughing. If symptoms become severe or interfere with daily life, it is important to seek medical care.

There are several simple ways to reduce symptoms during allergy season:

- Keep windows closed on high-pollen days
- Change air filters regularly
- Wash hands and clothing after spending time outdoors
- Take medications as prescribed by your healthcare provider
- Carry rescue inhalers if prescribed

As a church family, we can support one another by being mindful of strong fragrances and checking in on those who may struggle with breathing difficulties. Let us continue to pray for healing, comfort, and good health for all members of our community.

“Let everything that has breath praise the Lord.” — Psalm 150:6 God

Bless

**St. Charles Mission Statement**

St. Charles Borromeo, a diverse urban parish of Detroit, is rooted in Christ's Gospel and Catholic tradition. We strive to build a community of faith through education, worship, and evangelization. We are called to carry on Christ's ministry to our brothers and sisters, especially the sick and their families, the elderly, youth, and the disabled. With Mary as our example of unconditional love, we strive to welcome everyone to share joyfully in the peace, love and salvation of Jesus Christ. We acknowledge that it is the Holy Spirit who calls and empowers us, who strengthens and renews us, and who gives us the will to continue our mission, until Jesus comes.
