The Most Holy Trinity Sunday

Sunday Food for Your Soul

Why Do Catholics Celebrate Trinity Sunday?

Trinity Sunday Year A gives us the opportunity to reflect on the mystery of God's nature and how He reveals Himself as Father, Son, and Holy Spirit. Through the readings, we are invited to consider how this unity and relationship shapes our faith and how we are called to live in communion with God and one another. These reflections explore key themes like God's love, unity, and grace, offering insights into how we can live out our faith in practical ways.

The Mystery of God's Unity

Trinity Sunday Year A invites us to reflect on the mystery of God's unity. God is one but exists in three persons: the Father, the Son, and the Holy Spirit. This mystery is difficult to understand fully, as our human minds cannot grasp the full depth of this truth. We are asked not to fully comprehend it, but to accept it as part of our faith. This is a central teaching in the Church, one that shapes how we relate to God.

The most important thing about the Trinity is the perfect unity between the three persons. Even though they are distinct from one another, they share the same nature and work together in harmony. There is no conflict, no separation, only perfect love and unity. This unity is not forced; it flows naturally from the very nature of God. It is a model for us in how we should live with one another.

In our own lives, we are called to reflect the unity of the Trinity. Just as the Father, Son, and Holy Spirit are united in love, we are called to love one another. This love should not be based on what we get from others, but on a deeper connection that reflects God's love. Working together in unity, especially in the Church, is part of our response to this mystery. It means putting aside our personal desires to serve the greater good of others.

The unity of the Trinity challenges us to overcome division in our own lives. Whether in our families, workplaces, or communities, God's love calls us to build unity and peace. It asks us to recognize that we are all connected, and that unity in love is the foundation of a healthy relationship with God and each other.

Living in Relationship with God

Trinity Sunday Year A reminds us that God is not distant or far away. God is relational, and He invites us into a close, loving relationship. The Father, Son, and Holy Spirit are distinct but completely united. Their relationship is one of love and giving, a model for how we should relate to one another.

The Trinity shows us that our relationship with God is not one-sided. Just as the three persons of the Trinity share life and love, God wants us to share our lives with Him. He is not a distant God who remains far away, but a loving God who desires to be close to us. The Trinity is about community, and we are invited into this community through faith in Jesus Christ.

As believers, we are called to reflect the loving, communal nature of God in our own lives. The way we live should reflect the love, unity, and mutual respect seen in the Trinity. We are made in God's image, and as such, we are meant to live in loving relationships with others. This includes forgiving those who hurt us, offering our help to those in need, and working together in the community.

The readings for Trinity Sunday Year A also remind us of the gift of salvation. It is not something we can earn by our own effort, but something freely given by God. Jesus came to save us, and the Holy Spirit strengthens us to live as faithful followers of Christ. Through these gifts, we are able to enter into a deeper relationship with God.

God's Love and Grace

One of the central themes of Trinity Sunday Year A is the incredible love and grace of God. The readings show that God sent His Son to save us, not because we deserve it, but because of His immense love for us. Through the work of Jesus, we are given the opportunity to have eternal life. This is a gift of grace, something we could never earn on our own.

God's love is not based on our actions or how good we are. It is unconditional and constant. Jesus came to reveal this love, and through His life, death, and resurrection, He opened the way for us to be saved. The Holy Spirit, who dwells in us, is a constant reminder of God's presence and love. He helps us live as faithful disciples of Christ and empowers us to share God's love with others.

We are also reminded in the readings that God's love is not just about us receiving grace, but about sharing it. As Christians, we are called to live out the love we receive by loving others. This means showing kindness, patience, and forgiveness, just as God has shown to us.

The gift of grace and salvation is a central part of what we celebrate on Trinity Sunday Year A. It challenges us to be more like the God we worship, sharing love and grace with everyone we meet. It is a call to live out our faith in practical ways that reflect the love of the Father, the Son, and the Holy Spirit.

STEWARDSHIP MINUTE

Stewards Love

"For God so loved the world that He gave His only Son..." JOHN 3:16

Is your love conditional? Is there a price others have to pay to receive your love and forgiveness? Are you generous with your time, skills, money and possessions? If you give someone something, do you expect something in return? Do you give your time freely or do you "fit it in" when it's convenient for you? God desires a personal relationship with us so much that He gave us His Son, unconditionally! Pray in stewardship for a grateful and generous heart.

ARCHBISHOP OF DETROIT

February 2026

Dear brothers and sisters in Christ,

Every year, the Church invites us to return to the heart of our mission as disciples-to reflect on the gifts God has entrusted to us and to consider how we are called to use those gifts for the good of His people. As I prayed about the message I wished to share with you for this year's Catholic Services Appeal, one verse continued to emerge: "For where your treasure is, there also will your heart be" (Matthew 6:21).

These words from our Lord are both tender and challenging. They remind us that our mission flows from the deepest place of our devotion. What we love, we serve. What we treasure, we offer. And when our hearts are rooted in Christ, His mission becomes our mission: to proclaim the Gospel, accompany the suffering, form disciples, and bring the light of His love to every corner of southeast Michigan.

Each of us has received the blessings of time to pray, talents to offer, and material resources to steward. These gifts are never meant to be stored away but should be shared generously, so that through them others may encounter the mercy, hope, and healing that Christ freely gives. Through faithful stewardship, we participate directly in the work of evangelization and build up the Church in ways that extend far beyond what any one of us could accomplish alone.

This year, as we continue to deepen our commitment to renewal in our parishes, schools, formation programs, and ministries of charity, the Catholic Services Appeal remains an essential expression of our shared mission. Your generosity sustains the services that form our future priests, strengthen families, engage youth and young adults, accompany the poor, and bring Christ's love to those most in need.

I ask you to prayerfully reflect on how God is calling you to participate in this mission today. Your support ensures that the Gospel continues to be preached with conviction, our communities remain places of encounter and renewal, and the love of Jesus Christ reaches every person who longs to know Him.

I am deeply grateful for your faith, generosity, and commitment to the mission the Lord has entrusted to us. May God bless you abundantly for sharing the gifts He has given you.

Sincerely yours in Christ Jesus,

52 Ways to Care for Creation

Week 19: May 3-9

Where Does Your Drinking Water Come From?

Are you able to drink your tap water? Where does it come from? How is it processed? Does it rain where you live? Are there often droughts? Does everyone in your community have access to clean drinking water? Consider where your water comes from and what is being done to protect your local water source.

Week 20; May 10-16

Endangered Species Day

Happy endangered species day! Attacks on the Endangered Species Act have placed precious plants and animals more at risk than ever before. Check out CJM's resource to learn about and celebrate endangered plants and animals. Visit creationjustice.org/resourcehub to access the information.

Week 21: May 17-23

Thrift Shop

The clothing industry has a large carbon footprint. When looking for a new outfit, head to the thrift store instead of buying new. Thrift shopping keeps clothes out of the landfill, reduces water waste (a byproduct of clothing production), and reduces chemical pollutants. Check if your town has a local benefit shop/thrift shop where the proceeds support the community (some donate proceeds to the local food pantry or animal shelter)!

Week 22: May 24-30

Rest and Reflect

Week 23: May 31- June 6

Where does your food come from? How is your community affected by food insecurity? Does your town have a farmers market? Meet your farmers and support the local economy! If you have time, commit to growing/taking care of 1 plant?

Parish Nurse News and Notes:

May is National Stroke Awareness Month, a time to learn the warning signs of stroke and how we can help protect ourselves and those we love. A stroke happens when blood flow to the brain is interrupted, and quick treatment is critical. Acting fast can save a life and reduce long-term disability.

One easy way to remember the signs of stroke is the word **F.A.S.T.**

F – Face drooping

A – Arm weakness

S – Speech difficulty

T – Time to call 911 immediately

Other symptoms may include sudden confusion, trouble walking, dizziness, severe headache, or vision problems. Never ignore these warning signs, even if they seem to go away quickly.

There are also steps we can take to lower our risk of stroke. Eating healthy foods, staying active, controlling blood pressure, avoiding smoking, and keeping regular doctor visits can make a big difference.

As Christians, we are reminded that our bodies are gifts from God and should be cared for faithfully. Let us encourage one another to live healthy lives, watch over our families, and respond quickly in emergencies. Through awareness, education, and prayer, we can help save lives and support those affected by stroke.
