For the Church: that we may allow the good seed of the Gospel to take root within us and bring forth a harvest of virtue and manifestations of the reign of God…..we pray to the Lord  

For patience: that we may not judge one another but rather be open to the work that God is doing within each of us that will be revealed in God’s time…..we pray to the Lord  

For each of us: that we may be a leaven of compassion and justice in our society so that we may stifle the weeds of racism and oppression…..we pray to the Lord  

For the sick: that the healing love of the Spirit will touch them and bring them to wholeness…..we pray to the Lord  

For our departed loved ones: that God may grant them eternal light, rest, and peace, especially Alice Ayoub (A-Youb) and Leslie Ayoub (A-Youb)…..we pray to the Lord
