09-25-2022

Please pick up an October Word Among Us booklet from the back table.

In today's Vigil, Fr. Dan has provided information on Acting for Prison Reform/Restorative Justice. Please take some time to read, pray, and reflect on the information. There are copies of the information available on the back table as well.

Next Saturday, October 1, 2022 is Mercy in Action Day Project day. Our project at St. Charles will be to write notes of kindness and comfort to the families that lost a loved one in the Buffalo, New York Grocery Store shooting (or massacre) this past May. Please pick up blank note cards in the back of church after Mass, and return them next Sunday. Janis Ayoub will be there to answer any questions you may have.

We are grateful to all who have sponsored the Sunday Community meals but are still in need of someone for October 2nd and any Sunday in November and December. Please contact Georgia Kingsley or Suzan Anderson after Mass or their phone numbers and email addresses are in the weekly Vigil.

There are flyers on the back table with information for young adults on the next young adult outdoor adventure. The event is sponsored by St. Augustine/St. Monica and costs on \$5.00.
