Today's Community Meal is sponsored by the St. Fabian Religious Education Classes. They ask that you come to eat before helping with the church decorating, so please enjoy the delicious meal but remember to come back to help with the decorating.

We are requesting that everyone be sure to complete the Time, Talent, and Treasury survey form. Blank forms are available on the back table. Completed forms can be dropped in the box next to the blank forms. Father wants to assure everyone that we are not asking you what your income is. The income and suggested contribution list is only to help you make your decision.

See the Vigil for mass information for Christmas Eve, Christmas day, New Year's Eve, and New Year's Day. There will be a party following the New Year's Eve mass.
