Today's Community Meal is sponsored by the St. Bonaventure Secular Franciscans. Please enjoy the delicious meal.

Just a gentle reminder that there is still time to complete and return the Time, Talent, and Treasury survey form. Blank forms are available on the back table. Completed forms can be dropped in the box next to the blank forms.

After today's mass, everyone is invited to stay and help take down and put away the Christmas decorations. Many hands will make the task go faster so please donate a little time to this project today.

Please see today's Vigil for information on a Martin Luther King Day rally and march at Historic St. Matthew's-St. Joseph's Episcopal Church.

As you leave today, please pick up a Home Blessing Package from the back table. This will help you bless your home just as Fr. David blessed the church today. To get the holy water from the pitchers on the table, please use the plastic bag from the blessing package – remembering to remove the paper with the blessing and the chalk before adding the water.
