**01/15/2023**

Today's Community Meal is sponsored by JoAnn Eder and her crew. Please enjoy the delicious meal.

Today is our last attempt to have everyone complete the Time, Talent, and Treasury survey form. Blank forms are available on the back table and can be dropped in the box next to the blank forms. We will then work with the received forms to align people with what they are interested in doing here at the parish.

There are a few more Home Blessing packets available on the back table. We ask that if you need a packet, please take only one so that others can bless their home.
