**Third Sunday of Lent**

Fr. David Buersmeyer, it is great to have you here as our celebrant today. We look forward to seeing you again soon and working with you as our administrator.

Today's Community Meal is our fun times **Chili Cook Off**. There are several styles of chili to try along with some salads and desserts. All are invited to the table. Please see today's Vigil for the next available days to sponsor a meal.

Stations of the Cross will again be on Friday at 6pm. This week we will gather here at St. Charles. Please see the calendar in the Vigil for the alternating schedule. After the stations, we will have a simple soup supper in the social hall. If you are interested in bringing a soup to either here this week or Nativity next week, please sign up on the sheets on the back table. Also, we need you to sign up on the attendance sheet (including how many people are coming with you) so that we have enough stations booklets and soup ready.

This week's Vigil includes flyers for several events that may be of interest to you. Please pick up a copy or look for it online on Facebook and our website.

Please see the March calendar in today's Vigil for the dates, times, and locations of our Holy Week mass schedule. The calendar has everything you need to know to celebrate Holy Week with St. Charles!
