Fifth Sunday of Lent

Today's Community Meal is sponsored and served by Torya and Eduardo, who have blessed us many times with their time, efforts, and delicious meals. All are invited to the table. Please see today's Vigil for the next available days to sponsor a meal.

Stations of the Cross will again be here at St. Charles on Friday at 6pm. If you are planning to bring soup, cheese and crackers, or anything else for the supper after the stations, please be sure to let me know.

This week's Vigil includes flyers for several events that may be of interest to you. Please pick up a copy or look for it online on Facebook and our website.

Please see the Holy Week calendar for our Family of Parishes in today's Vigil for the dates, times, and locations masses and services this week. The calendar has everything you need to know to celebrate Holy Week with our family!
