Today's Community Meal is sponsored and served by the the St. Charles parish as a Thank You reception for Sr. Mary Ellen Howard as she steps into the next phase of her wonderful life!

Thanks to every person who participated in our Tuesday evening and Thursday evening Listening Sessions! Your attention and input will be valuable to process as we continue on our Archdiocese of Detroit Restructuring journey. Stay tuned for continued news on the process.

For Mother's Day, we will include a list in the bulletin of deceased mothers, grandmothers, aunts, and any other woman who has been like a mother. You can email the names or call the rectory and leave the names. So far only two people have let us know a name they want to be included. The deadline to get a name or names into the rectory for inclusion on the list is April 30.
