Today's Community Meal is sponsored and served by the The Eder Family. Please see Georgia Kingsley if you are able and willing to sponsor a future meal.

For Mother's Day, we will include a list in the bulletin of deceased mothers, grandmothers, aunts, and any other woman who has been like a mother. You can email the names or call the rectory and leave the names. So far only two people have let us know a name they want to be included. The deadline to get a name or names into the rectory for inclusion on the list is Thursday of this week, April 30.
