**Fourth Sunday of Easter**

Congratulations to Blake, Khloe, Milan, and Miles on making their First Communion today. Thank you to their parents and families for ensuring your children are growing in their Catholic faith.

Today's Community Meal is sponsored and served by our long time supporters, St. Lucy Parish. Please be sure to thank the group when you get your meal. Please see the Vigil for available dates to sponsor a meal.

Are you tired, worn down, feeling that your very soul needs a loving massage? In these trying times we all might be feeling something like that. Often, a remedy to those feelings is a change of scenery, a respite in a quiet place where you can commune with the Lord and nature in silence. Well, you have the perfect opportunity to do that during the weekend of May 31 – June 2, 2024. At the annual Urban Parish Retreat [Embracing Soul Care: The Eucharist, Broken and Beloved] being held at Manresa Jesuit House in Bloomfield Hills, Mich. For more information see today's Vigil or contact Manresa at (248) 644-4933. You may also talk to Joni Scott, our Director of Religious Education for more details. This is a chance for you to get that much-needed rest and replenishment for your soul. Why not take advantage of it. Hope to see you there!!
