The parish is sending wishes to every mother, grandmother, aunt, and those who have stood in for a mother a very happy Mother's Day.

There is no meal today.

Please keep our friend and maintenance man, Paul Gibson in your prayers as he is facing a health challenge.

There are Pope Francis prayer cards available on the back table. Please take one. We do want everyone to get the opportunity to have a card, so please don't take more than one or two. Thank you!
