

Announcements

06/07/2026

Today there is no Community Meal due to the lack of a meal sponsor. We only have one meal sponsored for the entire month of June. We recognize that sponsoring a meal can be expensive, especially during these times of challenging costs of everything and are considering options to continue the Sunday meals. See Georgia Kingsley if you are able and willing to sponsor a future meal.

Please see today's Vigil for important information and upcoming events. The Vigil is online on our parish website, and the parish Facebook page. You can also see it on the Friends of St. Charles Facebook page.

Congratulations to our children who received their First Communion today! May your journey with your faith be spirit and God-filled!

For Father's Day, we will include a list in the bulletin of deceased fathers, grandfathers, uncles, and any other man who has been like a father. You can email the names or call the rectory and leave the names. So far only we have no names for the list. The deadline to get a name or names into the rectory for inclusion on the list is Thursday of June 11, 2026 by 11am.

We will honor graduates on next Sunday. The deadline to get names into the vigil has passed, but we invite you to still come and celebrate your achievement!
