06/14/2026

We were blessed last week to have at least six groups stepped up to sponsor a Sunday Community Meal summer! God continues to bless us and our meal guests. We recognize that sponsoring a meal can be expensive, especially during these times of challenging costs of everything and we are considering options to continue the Sunday meals. See Georgia Kingsley if you are able and willing to sponsor a future meal.

Please see today's Vigil for important information and upcoming events. The Vigil is online on our parish website, and the parish Facebook page. You can also see it on the Friends of St. Charles Facebook page.

Congratulations to our graduates. We wish you continued success on your life's journey.

Please pick up a letter from Fr. Francis from the table where the bulletins are. This letter explains the importance of completing the post-listening sessions survey.
