

Announcements

September 07, 2025

Today, there is no community meal due to lack of a sponsor. If you are interested in sponsoring a meal, contact Georgia Kingsley.

CSA is here! You heard Fr. David's statements today. Please think about donating a little something to confirm to the Archdiocese of Detroit that the people on our membership list are indeed sitting in our pews!

The deadline every volunteer in our parish to complete the required Protecting God's Children program session and criminal background check is tomorrow. Please see the information in today's Vigil if you wish to continue volunteering after tomorrow. This is not a rule that someone at St. Charles decided to come up with. It is coming straight from the AOD and beyond the control of anyone here.

Please sign up in the back of church today for Religious Education with Barbara Taylor and to pick up a backpack for your child.

Mission Sunday is two weeks from today – September 21, 2025. There will be a special Missionary Priest here that day. There is information in the bulletin and online.

If you are on social media, please see either the St. Charles or The Friends Who Like St. Charles pages to watch a great video of our 2025 picnic.
