

Announcements
October 12, 2025

Today, The Grosse Pointe Sunrise Rotary Club members are again sponsoring our community meal. We are truly blessed to have sponsors for each Sunday through the second week of December. Please see the schedule in today's Vigil for when a sponsor is needed.

Please see today's vigil for information on Bible Study sessions that are being offered by Fr. Charles.

We invite you and your family to join the parish for a Harvest Celebration on Sunday, October 26, 2025 after mass in the social hall. It's going to be a fun, safe, and festive event where children and families can receive a Harvest Bag to collect sweet treats with our table trunk or treat and enjoy our weekly community meal. Barbara Taylor will be collecting donations of candy, prayer cards, and rosaries. Also please consider helping out with monitoring a table to pass treats out.

We are asking everyone to help us keep people from getting injured by exploding broken glass from our votive candle holders by using the lighting sticks that can be found in the sand vases at the bottom of the rack to light the candles and then put the stick back into the sand to extinguish it. Putting a lit match into a candle holder causes the glass to get too hot and it will explode.

Our 32 Steps Higher Dance and Music concert will be on November 22, 2025. Steve Dearing and his instructors are looking for donations and more dancers. See Steve today.

The Detroit Free Press marathon is next Sunday. If you use Lafayette, Kercheval or Jefferson to come to mass, the way for you to get to St. Charles will be to use Mack to VanDyke.
