Along the southern US border, as immigrants are being released from detention centers, a very wonderful organization, The Respite Center is taking them in and giving them showers, hot meals and most of all, clean clothes. These folks have been in the same underwear since leaving their homes! For the next two Sundays, one of our members will be collecting new underwear for men, women, children and infants. He will make sure that the donated underwear makes it safely to the Respite Center. If you are able to donate, please drop it in the box in the back of church. Thanks in advance for your support!
