September 23, 2018

Men, there is still time to sign up for your annual retreat that will be the weekend of October 12 through 14 at the St. Paul Retreat Center. Please see Eric Hintz or James Taylor to sign up or for more information.

In today's Vigil you will find a flyer with directions on how to make your contributions on line rather than by putting in an envelope each week. There is also information printed in the Vigil for those who want to use their mobile device to make online contributions. Please see Rhonda Gilbert if you have any questions.

Today's Community Meal is sponsored and served by Bonaventure Secular Franciscans. We have been blessed to have so many groups come forward to support our Sunday Dinner program. Our calendar is completely full through the end of this year. Thanks to all who support this ministry!
