

From St. Charles:

St. Charles family, we have been made aware that some members have gotten emails that are supposedly from Fr. Chris but are not from him at all. Please beware of email/text scams asking for gift cards or money. Fr. Chris, Fr. Francis, or other clergy and office staff will never send requests for help in that form. If you are unsure please call the parish office to verify. Do not open before verifying the actual email address.
