19th Sunday in Ordinary Time (Year C)

Sunday Food for Your Soul

Today's **Gospel** is from *St. Luke 12:32-48* and in a few vivid and expressive similes, our Lord tells the disciples and through them, all his followers, how they should conduct their lives on earth so that they would always be found in God's friendship when their call to judgment comes. In answer to a question put to him by Peter, our Lord says that more will be expected of those who have received greater gifts from God than of those who received lesser gifts.

This teaching of our Lord should make us all sit up and take serious notice. He has taken us into his household. He has made us his "little flock." We are invited guests in his home, his Church, rather than mere servants. He warns us today that we must always be busy about our vocation, about the reason why he invited us into his home. If we grasped clearly what that call of Christ means, what our Christian vocation is, we would hardly need today's warning. We are Christians, we are members of his Church, for our own eternal good. God, through Christ's Incarnation, has put us on the road to heaven. He is ever helping us on the way. Could we be so blind to our own welfare that we would risk losing the eternal life that God has in store for us, and for which He went to the extreme lengths of love? In our saner moments we would give an emphatic no to this question. Yet, we must look the real facts of life in the face. There are many Christians who are destined for heaven but who, in their folly, have left the only road which leads there, and are now traveling in the opposite direction.

Some of us may be among these foolish ones. We may have let this world get such a grip on us that we have no time or thought for the world that is to come. For such foolish people, and indeed for all of us, today's warning is that our call to judgment will come on each one of us like a thief in the night, at a moment when we least expect it. This need not be a sudden death. Of every thousand who die after long illnesses in our hospitals, there rarely is one who knows and admits he is about to die, so actually all deaths are sudden, that is, unexpected.

However, the unexpected death, which we are sure to get, need not worry the ordinary good Christian. It is the unprepared, the unprovided death which must cause us anxiety. It need not, if, when it comes, it finds us living in God's grace, living the ordinary Christian life, doing our daily tasks but doing them as part of our duty to God. We must take an interest in the affairs of this world, but the interest must never exclude our eternal interest. Instead, it can and must help us toward the one real interest that man has in this life, that is, to earn his eternal life.

Take a serious look at your way of living today. Is your behavior in the home, in your place of work, in your recreation, in your relations with God—prayers and church attendance—and with your neighbor, it is such that you would change nothing in it, if you were told by God that you were to die tonight? If it is, thank God for it and keep on going; you are on the right road. If it is not, don't wait for God to tell you when or where you will die; he will not tell you. Put things right today, and then you need not worry when your call to judgment comes. Death will be graduation day for the good Christian—not examination day.

2025 St. Charles Borromeo CSA Update

Dear Parishioners,

Each year, the Catholic Services Appeal supports the work of more than one hundred ministries, services, and programs in the Archdiocese of Detroit that respond each day to the material and spiritual needs of countless individuals and their families.

Our parish alone could not meet these many needs. We are grateful for the many ways you have contributed to the CSA in the past. If you have already made a gift this year, we thank you for your generous support! If not, please consider renewing your gift this year. Together, let his gaze be our strength as we share the love of Christ with others.

August: National Immunization Awareness Month

Dear Church Family,

August is National Immunization Awareness Month—a reminder that vaccines are a safe and effective way to protect ourselves, our families, and our communities from serious diseases.

Immunizations aren't just for children—teens, adults, and seniors all need certain vaccines to stay healthy. Whether it's the flu shot, shingles, pneumonia, or updated COVID-19 boosters, staying up to date with recommended vaccinations is an important part of preventive health.

As people of faith, we are called to care not only for ourselves but also for others. Getting vaccinated helps protect those in our church and community who may be more vulnerable.

If you have questions about what vaccines you or your loved ones may need, talk to your healthcare provider—or feel free to reach out to me.

We had a great turnout last Sunday for our monthly Blood Pressure [screening](#). We had over 30 people! Thank you to all those that helped, Patricia Ballard, Margaret Ann Murphy, and Michelle Bann.

Don't forget our next blood pressure screening on August 24th, after mass. If you would like to help out, please let me know.

Our upcoming Diabetes Prevention Program will be here before we know it. It starts on Sunday, September 21st, from 1:30pm to 2:30 pm in the church basement. Flyers are in the back of church and also in the bulletin. Please call 313 738-1678 to register. This class is open to all our Parish family members, friends and [neighbors](#). If you know of someone who could benefit from this class, please invite them. It promises to be a great class, with free giveaways.

Peace

An Important Request from Anne Crowe About the Food Pantry at Nativity of Our Lord Parish

Over the last couple weeks I have been asked if the cuts to the USDA funding are or will be affecting our pantry.

WELL THE ANSWER TO THAT QUESTION IS YES!!!

We purchase most of our food from Gleaners Community Food Bank. They are the shelf stable items: vegetables, tuna, macaroni & cheese, soup, fruit, canned beans, peanut butter, cereal, spaghetti sauce, noodles and other odds and ends. Nothing you probably don't have in your cupboards. We also purchase the meat we distribute from them also. Our families are packed a three-five day supply of food, meant to help them make it until payday or when their assistance reactivates.

With the deep cuts that are happening and coming, it means less USDA food on the Gleaners shopping list. For example, frozen chicken is often one of the three meats we pack for our families. On average, we need 160 pounds a week. When I can purchase under USDA a 40 pound case of chicken is \$7.20. A total cost \$28.80 for the week. When not USDA, it is \$30.82 per case. Total cost: \$123.82. Four cases of USDA chicken is less than one case on regular Gleaners price which is still better than grocery store prices. USDA food isn't just meat though, everything listed above used to be on the USDA list regularly, helping to keep our operating costs down.

The choices are very limited now and Gleaners is anticipating receiving a million pounds less USDA food this year than what was originally planned for so it is going to get worse. How does this affect Nativity Pantry and in turn the parish? We rely on donations and a yearly endowment fund to pay the monthly Gleaners bill. The problem, due to the increase in families needing assistance, not able to purchase as much under the USDA price, our monthly Gleaners bill has gone from \$1,000-\$1,200 per month to over \$3,000 per month. The endowment and donations are no longer enough to pay the bills. The parish has had to make up the shortfall. This in turn puts a strain on the parish budget.

HOW CAN YOU HELP?

Continue bringing your food donations to church. Not only what is listed this week, any great sale item you know we use. I always know it will be a great week when I come in and begin setting up the pantry for the week by emptying the shopping carts of donations from you and our St. Charles family and I don't have to get a case of something from our stock because enough was donated.

Consider writing a check to Gleaners (put Nativity Pantry Agency 1116 in the memo line) and dropping it in the collection basket or mailing it to the parish. Checks are credited to our account on Wednesday when we go to Gleaners to pick up our order.

Spread the word about our pantry. Share this bulletin with those on your email list. Maybe one of your friends is looking for someplace to donate too. Imagine if we found 15 friends that could donate \$2,000 each.

Mostly pray! Pray for the families who live with food insecurities, for our volunteers who keep the pantry running and that we can find donors who want to help us with our mission.

“For I was hungry and you gave me food” Matthew 25:35

St. Charles Mission Statement

St. Charles Borromeo, a diverse urban parish of Detroit, is rooted in Christ's Gospel and Catholic tradition. We strive to build a community of faith through education, worship, and evangelization. We are called to carry on Christ's ministry to our brothers and sisters, especially the sick and their families, the elderly, youth, and the disabled. With Mary as our example of unconditional love, we strive to welcome everyone to share joyfully in the peace, love and salvation of Jesus Christ. We acknowledge that it is the Holy Spirit who calls and empowers us, who strengthens and renews us, and who gives us the will to continue our mission, until Jesus comes.
